

CORO Realty Advisors

CORO Realty Advisors, LLC Puts Warehouse Rooftop to Work, Driving Additional Revenue

Location:

6684 Jimmy Carter Boulevard
Norcross, GA 30071

About CORO Realty Advisors:

CORO Realty Advisors, LLC was established in 1997 to provide the highest quality real estate investment consulting and management services. Based in Atlanta, CORO's mission is to identify unique opportunities for its clients and provide the services needed to maximize the potential of those investments.

Project Specs:

- Capacity:** 175 kW DC @ STC
- Racking:** Panel Claw Grizzly Bear FR Generation II
- Module:** Suniva ART 245-60-3-1 (240 Watt)
- Inverters:** (2) Solectria PVI 82 kW Commercial Inverters
- DAS:** DECK Commercial Solar Monitoring

Summary:

This 175kW grid-tied, rooftop array was installed on a newly renovated, freestanding office/showroom building managed by CORO Realty Advisors, LLC in Norcross, GA. CORO is selling the solar power to Georgia Power pursuant to the utility's SP-1 Solar tariff, creating additional operating income for the property. The project is one of the largest solar projects in Georgia, and demonstrates CORO's leadership in sustainable development and property management.
